Title of Research Initiation Proposal (RIP)					

A minimum of three (3) faculty members must be on the qualifying committee, two (2) of whom must be from the Duke Robotics program, and the chair should be a Duke Robotics professor who is not the examinee's advisor. All approved committee members should be present at the qualifying exam, but teleconferencing for one committee member is acceptable. For any committee members that are not faculty members at Duke University, indicate the institution next to the committee member's name in the table below.

Qualifying Exam Committee Member	Rank/Title	Department
<b>Chair:</b>		

The committee members have indicated their decision in the table below on whether the examinee has successfully proposed and defended his/her Research Initiation Project (RIP) proposal as part of the Duke Robotics PhD Program Qualifying Examination on \_\_\_\_\_.
